

FOR COOLING OUT LOUD

Welcome Kevin

Kevin Johnson has joined SPAL as BDM for Transport Refrigeration. Coincidentally, his motor trade background and ability to drive all sorts of vehicles really came in handy when he drove a supermarket delivery van during lockdown.

SPAL shows off its agricultural side

With the agriculture sector booming, SPAL will be parking up its mobile exhibition vehicle at sister events:

CropTec 24-25 November

Where the focus will be on brushless technology blowers in seed applicators ensuring better control of the flow rate and speed of seed delivery.

[Read more here...](#)

LAMMA 11-12 January

Where SPAL will talk about its range of high performance fans and blowers in hydrogen powered machinery.

COP26

With COP26 coming up next month in Glasgow SPAL discusses how prepared the automotive industry is for achieving Net Zero by 2050 and whether pure electric should be the only option.
